Description: If you give in to temptation and give a bored little mouse your iPhone, even for ten minutes, he's probably going to beam to some faraway place beyond time, space, and the sound of your pleading voice. And if he's that far gone, he won't have any idea what's going on around him, and he might end up missing out on all the real fun.From the New York Times-bestselling...

Review: This book was in the library of an Air B and B that my daughter and family stayed in recently. My grandson loved it (age then three years and 9months!). He loves the "Give a——a——" books somthis was wonderful! They are also struggling with the technology issue, so,his was a great reminder that there is a world beyond the screen (for parents and...
